#### Charity Care:

##### Uninsured Patients:

HCA provides relief for patients who have received non-elective care, meet certain supported income requirements, do not qualify for state or federal assistance and are unable to establish partial payments or pay their balance. Assistance with completion of any third party resource enrollment, which includes Medicaid and CHIP programs is provided.

HCA provides relief for patients who have received non-elective care, with limited third party payer coverage, meet certain supported income requirements and meet patient balance thresholds. These are defined as medically indigent patients.

##### Uninsured Discount:

Discounts provided to uninsured patients not qualifying for third party resource or charity thresholds. HCA provides relief for patients receiving healthcare services that cannot pay for their services and do not qualify for third party resources or charity thresholds. These accounts receive an uninsured discount.
